## Innovative beauty

20% OFF

Luxurious beauty brand, New CID Cosmetics was born out of a leading hair, makeover and photography salon. For more than a decade, the team at New CID Cosmetics listened to thousands of women coming through the salon sharing their make-up insights. These women felt that make-up shopping can be overwhelming with too many fashion-led shades and complicated application tips available. Today, the brand is still shaped by working make-up artists who listen to what real women need from their make-up.

County Wedding Magazines is delighted to have teamed up with New CID Cosmetics to offer our lucky readers 20% off\* when shopping online at [newcidcosmetics.com](http://newcidcosmetics.com)

Simply enter code 'CW Bride' at the checkout.

\*Discount code cannot be used in conjunction with any other offer and applies to full price items only.
